Announcement of Office Restructuring

Dear Valued Customers,

Thank you for your continued support and strong cooperation. We know that our success depends greatly on the success of our customers, and we deeply appreciate the trust you place in the dependability of our products.

This letter is to inform you of a change in our business operations. As part of our ongoing efforts to streamline our operations and improve efficiency, we have made the decision to restructure our sales office. Effective September 2nd, 2024, we will close Osaka Sales office and consolidate its operation with Nagoya Sales Office. We understand that this change may cause inconvenience to our valued customers in the affected area. We assure you that we will strive to further improve our services and sincerely hope for your continued support.
